Dangerous Russian Shepherd for give away.

Help !

My daddy brought a cute little russian shepard home from Siberia holidays, but he is growing and growing and has suddenly got frightening long teeth. He ripped several sheep and one cow up to now and has already eaten my Grandma as well.

My dog Wolfgang

I would like to give him away in loving hands, because recently he looked at me in a very odd way. Preferably to a buyer with (defeatable) hearing aid, because he howls very loud in nights of full moon.

Oh well, and he reacts very aggressive to the red ManU fan caps.
